Dear Al:

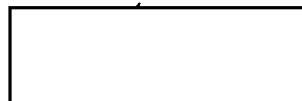

Thank you very much for sending on Bill Leary's letter. I have made a copy and so am returning the original to you. I think you handled it exactly right and Bill's discretion is much appreciated. In due time, it might be useful if we could have the latest draft of Bill's piece but there is no hurry about this. We can make a copy for our records.

Thanks again for your help and best wishes for the New Year.

Sincerely,

Lawrence R. Houston
